

STALL HOLDER POWER REQUIREMENTS

In order for things to go a smoothly as possible on the day of the event it is essential that we know your power requirements in advance.

Please indicate the type of electrical supply you require for your stall / trading area, by ticking one of the boxes below and emailing us back asap (If you do not reply it will be assumed you do not require any power and no power will be available to you, as resources are very limited).

Store / Trader name	
---------------------	--

Connector type	Picture Description	Please tick below as required
